SPECIAL OLYMPICS TORCH RUN

For over a decade, the Santa Ana Police Department has participated in the Southern California Special Olympics Torch Run. This year, more than 3500 officers will proudly carry the Special Olympics Torch over 1,500 miles and through more than 200 communities. Officers from throughout the state collect donations for their participation in this annual fundraiser by sponsorships from civic groups, local businesses and private individuals.

Runners from the Tustin Police Department will hand-off the torch to a combined team of runners from the Santa Ana Police Department and Santa Ana Office of the FBI at the Tustin-Santa city limits. Police motorcycle officers, with lights flashing will escort the runners through Santa Ana, to the Orange city limits.

Come join police officers, FBI agents, and supporters as they carry the Special Olympics Torch in support of Special Olympics and our children.
