

that illustrate the recycling process and the final product. This process will be used for the Delhi Project that will commence in March or April of 2008. Staff went to San Diego to observe the entire process. In addition to the cost savings and expedited process, it is also environmentally friendly. Jim added that this will allow them to maximize the use of the allotted money for Local Street Repair.

Jim added that the financing mechanism is being taken to City Council for approval. He mentioned that we acquired an A rating from Standards and Poors on the bonds. Joe Fletcher added that the court entered a judgment validating for the \$60 Million transaction on November 16, 2007. There is a 30 day appeal period.

The Committee requested an updated map indicating which streets will use the cold in place recycling process. These can be shown in green.

Mayor Pro Tem Alvarez asked Staff to let our Supervisor's Board know that the City is moving forward with Local Street Repair plans and that we are looking forward to the County's City share for 2008.

### 3. TRANSIT MASTER PLAN UPDATE

Jim informed the Committee that there's an item going for City Council approval to authorize additional funds for a video simulation. George added that 50% of these funds will be used to create the video simulation, 25% for the Step One application, and 25% for contingencies. The deadline to submit the Step One application is June 8, 2008.

Jim added that the Go Local Presentation is being made to Garden Grove City Council on November 27, 2007. City seeks to partner with them on the Go Local Program.

Toni added that the City of Santa Ana is in a good position to apply for Step One with OCTA. Jose suggested that the City identify how much money is needed, what it's needed for, and any future plans. He added that OCTA will start reviewing applications on March 1, 2008.

The Committee requested to see the application and draft report. Toni mentioned it should be ready before the holidays.

Mayor Pulido showed the Committee a brochure/pamphlet that the City of Anaheim has prepared. He suggested that a similar brochure be prepared for our proposed project.
